

ARC Homework Checklist

Welcome to your ARC Preparation Page

Pelican State Motorcycle Training asks you to do these few items before class to prepare you and maximize training time.
None of these items take long to do or to review.

PLEASE DO THE FIRST ITEM (#1) BELOW TODAY

By doing item #1 you will receive your MSF Completion Card when the class is done.
If you delay in completing item #1, you could wait weeks to get your Card via snail-mail!!!
Do items #2 through #5 prior to class.

- ☐ 1. **[DO IT NOW]** — Fill out your Data Card TODAY. Filling out this simple form prior to class means you receive your MSF (Motorcycle Safety Foundation) Completion Card when you successfully complete the class requirements. If you don't fill out the form, your Card is snail mailed to you — with delivery as much as four weeks after graduation. Don't wait, fill out the form today!
- ☐ 2. **[REQUIRED]** — PRIOR to attending — download, print, and complete your ARC Homework. Our discussions will center around these forms and handout found in the Homework Pre-Course Assignment Package. Package is approx 2M in size it so takes a few seconds to open.
- ☐ 3. **[NEED TO DO]** — Read the Waiver and Training Rules (two separate documents) before class so valuable class time wasted reading them. You will sign that you have read these documents when RiderCoach passes around roster.
- ☐ 4. **LOCATION:** Locations vary due to availability of classroom & range property. Please check the email you received from jneff@pelicanstatemoto.com for the class time & location.
- ☐ 5. **[DOUBLE CHECK]** Use the ARC Checklist to make sure you have everything you need for each course session
- ☐ 6. Finally, ***[for peace of mind, and to prove you got this far down the page]*** AFTER you have done all the items above, send this "I Am Done Message" so Pelican State Motorcycle Training can update your status as ***"Ready for class, ready to ride"***.

All the items above must be complete before you attend class.
